

# WiM Inspirational Leadership Legacy (WILL) initiative

## What is our WILL for?

- The WILL initiative aims to provide a digital platform for MICCAI members to share their career pathways and to establish a database with bigger picture of our community to the outside world.
- Participants will share video interviews with inspirational MICCAI members (supervisors, colleagues, young researchers, etc.) in their fields.
- Anonymous reviewers will shortlist the top 5 videos based on the evaluation criteria listed on our website. An independent panel of judges will then announce **3 winning teams**; each receiving an award of \$300.
