Medical Image Computing and
Computer Assisted Intervention
23-27 September 2025
Daejeon Convention Center

Daejeon
REPUBLIC OF KOREA

Dynamic Korea, Wonderful Daejeon!

Join us in Daejeon, Korea's science capital,
where 5,000 years of tradition meet vibrant K-culture.
Experience stunning nightcapes and colorful attractions.
Don't miss MICCAI 2025 in this radiant city!

Themes

From Concept to Clinical

Connecting with industry to translate concepts into clinical practice.

Pan-Asian Connection

Building a diverse international community and engaging underrepresented Asian countries.

Why MICCAI 2025 in South Korea is Not to Be Missed

For the first time, the annual MICCAI conference is coming to Korea! This event will bring together diverse experiences from across the globe.

✓ Vibrant Ecosystem

South Korea: a hub of medical scientists, engineers, clinicians, and over 1,000 medical AI, robotics, and device startups.

✓ Industry Engagement

Seek new career opportunities, product feedback, top talent recruitment, and mentorship from industry leaders.

✓ Convenience and Safety

Daejeon offers an excellent transportation network and a safe environment to enjoy the vibrant nightlife.

✓ Special Social Events

Enjoy a gala dinner at Hanbit Tower Square, K-culture tours, Outreach Programs, and visits to KAIST and Daedeok Innopolis research institutes.
