

MICCAI 2026

29th International Conference
on Medical Image Computing and
Computer Assisted Intervention

Abu Dhabi
UNITED ARAB EMIRATES

4 - 8 October 2026

ADNEC Centre Abu Dhabi

MICCAI Heads to the Middle East for the First Time!

Join the global MICCAI community in **Abu Dhabi** from October 4-8, 2026, as we bring together leading researchers, engineers, clinicians, and innovators in medical imaging and computer-assisted intervention.

The MICCAI 2026 Organizing Committee, led by General Chairs **Mohammad Yaqub**, **Islem Rekik**, and **Qi Dou**, and consisting of +40 members, is dedicated to delivering an exceptional experience for researchers, clinicians, academics, and public health professionals alike.

The main conference and satellite events will be focused on three main themes:

- **Industry-empowerment:** Bridging industrial and research applications through industry talks, startup showcases, and mentorship programs.
- **Multisectoral clinical translation:** Progress towards a global high-tech healthcare ecosystem solving critical MIC/CAI challenges
- **Global reach:** Expand the MICCAI community and attract clinical and industrial players in the Middle East and beyond.

"We are excited to welcome you to MICCAI 2026 in Abu Dhabi, where world-leading researchers, clinicians, and industry pioneers will share transformative discoveries, forge powerful collaborations, and shape the future of medical AI and imaging. Don't miss this landmark event; submit your work, connect with peers, and help define the next era of MICCAI!", said Yaqub.

Here are some things you can look forward to as a delegate at MICCAI 2026:

Commitment to Scientific Advancement

The UAE's investment in research and development, particularly in healthcare and artificial intelligence, aligns with MICCAI's mission of clinical and scientific impact.

Cultural & Leisure Experience

Enjoy a rich heritage and futuristic architecture. From the majestic **Sheikh Zayed Grand Mosque** to **Louvre Abu Dhabi**, pristine beaches, and desert excursions, the city offers an unforgettable experience for attendees and guests.

A Global Innovation Hub

Abu Dhabi is a fast-growing center for AI, healthcare innovation, and scientific research, home to renowned institutions such as **MBZUAI**, **Cleveland Clinic Abu Dhabi**, and **Khalifa University**.

Strategic Location

Positioned between East and West, Abu Dhabi is accessible from major cities across Europe, Asia, and Africa, promoting broader global participation and collaboration.

Registration will be open next spring with the call for papers announced in early 2026. Watch the MICCAI 2026 video for a sneak preview of what you'll experience.

Visit the MICCAI 2026 conference website for further information and updates.
